# 1<sup>st</sup> International Seminar program

*At the roots of urban design. National "schools" and prominent figures. An international perspective*

**15 May 2020, online** CNR-DSU-Rome

The seminar will take place online due to the Covid-19 pandemic. The morning will be organized around two sessions, each one followed by half an hour open debate. In the afternoon it will take place an open roundtable discussion following the launch of the *GUDesign Network*.

**9.30-9.45** Connecting to zoom platform

**9.45-10.00** Heleni Porfyriou (CNR - DSU), *Introduction to "GUDesign Network"*

**10.00-11.45 Art public, civic art, Raumkunst and the birth of urban design. Italian "schools" and prominent figures before and after the second world war**

**Chair:** Giorgio Piccinato (Università di Roma Tre)

**Short presentations by:**

Donatella Calabi (Università IUAV di Venezia), *Early 20th century debate and the School of architecture*

Rosa Tamborrino (Politecnico di Torino), *L'esthétique des villes and the development of urban conservation*

Guido Zucconi (Università IUAV di Venezia), *The notion of urban design in Milan's Rationalism: Pagano, Marescotti, Bottone*

Elisabetta Pallottino (Università di Roma Tre), *The Roman School and urban design*

Bertrando Bonfantini (Politecnico di Milano), *Elements and figures of spatial design in the Italian post-war reconstruction plans*

**11.45-13.30 European "schools" and urban design legacies since 19<sup>th</sup> century and the impact of Lluís Sert international conference of 1956. An international perspective**

**Chair:** Heleni Porfyriou (CNR - DSU)

**Short presentations by:**

Ali Madanipour (Newcastle University - UK), *Urban design, urbanization and specialization*

Tom Avermaete (ETH Zurich - Switzerland), *Crossing Boundaries: transcultural practice and changing urban design knowledge in the post-war period*

Kalliopi Amygdalou (National Technical University of Athens - Greece), *In search for urban reform: Ernest Hébrard and Henri Prost in the near East*

Fabio Mangone (Università di Napoli "Federico II"), *Historicism and urban design: the case of Naples, Italy, 1861-1926*

Ines Tolic (Università di Bologna), *The urban front. Designing cities and settlements in the developing world*

**13.30-15.00 Lunch time**

**15.00-15.30** Heleni Porfyriou (CNR - DSU), *Launch of “GUDesign Network”: aims, organization, tools and financial support*

**15.30-17.30** Open roundtable discussion following the launch of the *GUDesign Network*
